Driver Will Not Be Charged in December Pedestrian Fatality

Hingham, MA – A driver involved in a fatal pedestrian crash in December on George Washington Blvd. will not be charged.

On December 5, 2016, at 11:14am, 56 year old Heidi Folsom of Bridgewater, was crossing George Washington Blvd. when she was struck by a truck traveling north toward Hull. The truck was driven by a 23 year old Hingham man. Ms. Folsom, who was struck in front of the Hingham District Court, died at the hospital.

A reconstruction report completed by the Massachusetts State Police assigned to the Collision Analysis and Reconstruction Section (CARS) found the truck driver's actions did not contribute to the crash or commit a traffic violation. Because the driver of the truck is not being charged, his name is not being released.
